

Clinical Leadership:
Personal Principles / Corporate Imperatives

Mathew J. Page

Leadership is the art of getting someone else to do something you want done because they want to do it.

Dwight D. Eisenhower (American President)

Management is doing things right; leadership is doing the right things.

Peter Drucker (Businessman)

No institution can possibly survive if it needs geniuses or supermen to manage it. It must be organized in such a way as to be able to get along under a leadership composed of average human beings.

Peter Drucker (Businessman)

Leadership is solving problems. The day soldiers stop bringing you their problems is the day you have stopped leading them. They have either lost confidence that you can help or concluded you do not care. Either case is a failure of leadership.

Colin Powell American General and
Secretary of State

One of the tests of leadership is the ability to recognize a problem before it becomes an emergency.

Arnold H. Glasow (Businessman)

To lead people, walk beside them ... As for the best leaders, the people do not notice their existence. The next best, the people honour and praise. The next, the people fear; and the next, the people hate ... When the best leader's work is done the people say, 'We did it ourselves!

Lao-Tsu (Philosopher)

Example is not the main thing in influencing others, it is the only thing.

Albert Schweitzer (Theologian)

Never doubt that a small group of thoughtful, concerned citizens can change world. Indeed it is the only thing that ever has.

Margaret Mead (Anthropologist)

Management is what happens when you're on the ward, leadership is what happens when you're not

Roland Dix (Nurse)
