Journal of Psychiatric Intensive Care

The *Journal of Psychiatric Intensive Care* is devoted to issues affecting the care and treatment of people with mental disorders who manifest severely disturbed functioning. The journal is international and multidisciplinary. It provides stimulating papers and articles of interest to those who work in or study psychiatric intensive care, low secure services, acute inpatient wards, challenging behaviour environments, emergency psychiatry, or intensive treatments settings in other parts of the wider mental health system.

Printed and Online:

Black & White advertising from £300 per issue | Colour advertising from £350 per issue
