

Please find my note of intent for the Deputy Treasurer for NAPICU – Jules Haste

I would like to put myself forward for the role of Deputy Treasurer for NAPICU. I feel I would be able to bring value to the role and along with the project stream of conference organising this will be favourable in ensuring the conference expenses are within our means. I would work closely with the current treasurer in supporting them with the financial accounts. I feel this would include deputising when they are not available so I can feedback to the executive meetings the current status and to also feedback to the treasurer the outcomes from the executive meeting if they are not able to attend.
